

Rolling Funding

The Colorado Health Foundation accepts applications year-round for our two **rolling funding** opportunities. There is **no deadline** associated with these applications. They will be reviewed approximately 45 days after submission.

- [Advocacy Rapid Response Funding](#)

Advocacy Rapid Response Funding aims to fund short-term advocacy initiatives (3 – 9 months in length). These funds are intended to ensure Coloradans' interests and priorities are front and center in shaping policy decisions that will have long-term impacts on creating [health equity](#).

- **Building and Bridging Connections Funding**

Building and Bridging Connections funding aims to strengthen social capital and community-building efforts. These funds are intended to address health challenges and advance [health equity](#).
